An Oasis in The Heart of Abuja

Living Room

An iconic landmark building located in the heart of the modern Federal Capital of Nigeria, Fraser Suites Abuja features 126 Gold-Standard residences that combine comfort, style & technology with outstanding facilities and exclusive in-house services.

With a wide range of apartments from studios to 4-bedroom penthouses, each unit is exquisitely appointed with contemporary interiors and luxurious finishes created by skilled craftsmen, while offering spectacular views across the lush city landscape. The Dining Room has been lavishly designed to provide a five-star ambience.

Given its strategic location in the CBD and complete range of offerings, Fraser Suites Abuja is suitable for business executives and family members alike.

Outdoor Swimming Pool

The Dining Room

Guests can unwind at the Gazebo with flavored shisha and relish authentic Italian pizzas by the poolside. Gleaming glass cases sit filled with delectable selection of pastries and breads at the cafe. The Business Centre and Executive Lounge offer a full range of essential office services and internet access, as well as a variety of functional meeting rooms. With an emphasis on health and wellness, Fraser Suites Abuja provides a broad range of recreational facilities all set around private landscaped gardens. In addition to a fully-equipped gym and outdoor swimming pool, the property also features a children's play zone.
